

Supplier of

- LED Components
- LED Driver
- Optical Lens

WHO WE ARE

Established in 2012, Gainer LED has been focused on the LED industry for over 10 years.

We supply LED components, LED drivers, and Optical Lens of prestigious brands like CREE LED, OSRAM, Lumileds, Nichia, Signify, Samsung, Seoul Semiconductors, Bridgelux, Luminus, Citizen, etc.

Benefit from the huge market of China's LED industry and excellent supplier relations, we have better price advantage, abundant supply and shorter delivery time.

Driven by the ethic of ever-improving customer-understanding, Gainer LED aims to provide a fast, consistent, and highly responsive service to global lighting manufacturers.

WHY US

● Support

With years of experiences & expertise, our well-trained product specialists and engineers can give you support & advice on product development. Help you to accelerate time to market with innovative & cost effective solutions.

● Inventory

Over \$5 Million of stock in China Distribution Center for fast delivery.
